Training for employees of external organizations performing activities in MO34 premises and selected sectors 1-2 of EBO / EMO.

**This training is basic precondition for gaining, and maintaining of general competence for entrance, safe movement, stay, and performance of contractual works within completion of Units 3 and 4 of NPP Mochovce, as well as selected sectors (1-2) of operated NPP EBO/EMO.**

**Aim of the training is to present you basic requirements within areas of:**

- **health and safety at work (H&S),**
- **fire protection (FP),**
- **physical protection of nuclear equipment and orientation on site (PP),**
- **quality assurance, ISM SE a.s, safety culture and tools for prevention of human errors (QMA),**
- **emergency planning and preparedness and serious industrial accidents (EPP),**
- **and environmental protection (EP).**

Dear contractors,  
upon your request or request of your employer you will receive login and password for logging in into online study at <https://elearning.kontrolspol.sk>. Afterwards, you can start your electronical study.

**By logging-in into e-learning you consent with responsibility to study lessons and to perform final exam individually by yourself, otherwise you are fully aware of eventual legal or other consequences by failing of this responsibility.**

Advantage of this form is possibility of individual study whether at home or at work, basically everywhere with presence of internet connection. Irreplaceable part of the study is final exam.

After successful completion of final exam (gaining at least 80% answers correct) you will be able to sign-in for available terms of written examination (terms are visible for 2 week ahead and take place on WEDNESDAY).

**Written examination** consists of 20 questions test. After its successful completion (at least 15 correct answers), the training company KONTROLSPOL, s.r.o. issues and handovers to worker a certificate from the training. This certificate irreplaceable part of documentation necessary for gaining of access into NPP Mochovce.

We kindly ask all contractors to follow valid hygienic measures when participating written examination (to wear face mask or similar face protection, to follow personal hygiene, hands disinfection, to bring own pen, and to maintain safety gap from other contractor). In case of signs of flue, caught, or similar decease, we ask you not to participate on written examination!

In case of not respecting above mentioned hygienic measures a contractor will not be allowed to participate on written examination.
